

# Fleet Manager Mobile App — Fleet SmartHub

Fleet Managers can obtain access to key online services anytime, anywhere with the new Fleet SmartHub mobile app.

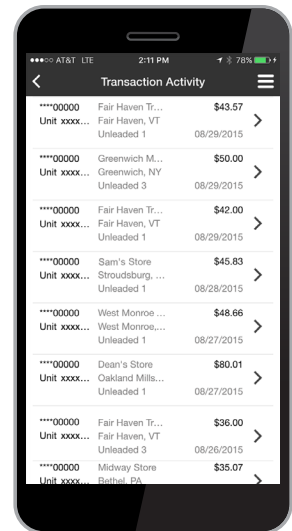

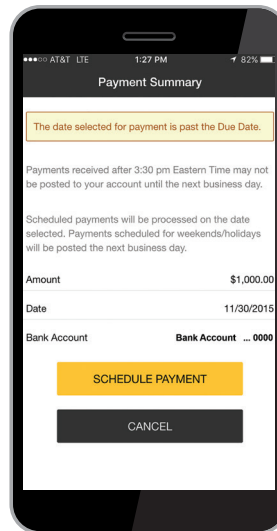

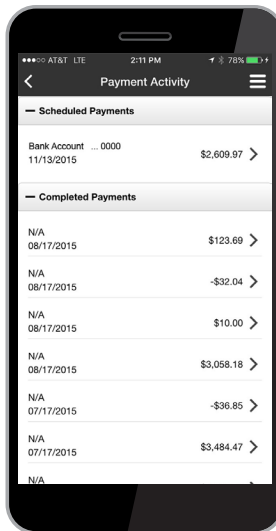

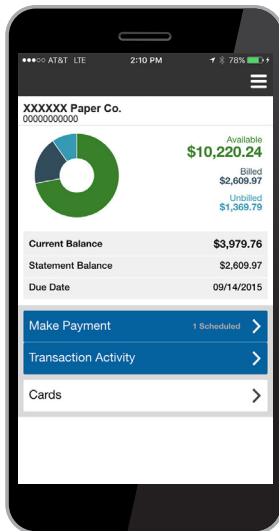

Boost your productivity by accessing these key features on-the-go:

- **Bill Pay** – view and make payments
- **Credit View** – see all available billed & unbilled credit
- **Transaction Details** – view posted purchase transactions
- **Card Management** – re-issue, terminate and check status of cards
- **Payment View** – displays payment activities

## Add Fleet SmartHub to your fleet toolkit.

The **Fleet SmartHub** app was designed specifically for Fleet Managers to improve efficiencies, help reduce late fees, provide insight and control unauthorized spending.

Download **Fleet SmartHub** today and bring these benefits directly to your bottom line.
